

- All drawings to be checked on site by the architect.
- When a revision is given, it is the architect's responsibility to ensure that the drawings are up to date.
- When not in use, drawings should be kept in a safe place.
- Use of drawings is limited to the project for which they were prepared.
- Drawings are not to be used for any other purpose without the written consent of the architect.
- All work to be carried out in accordance with current British Standards.
