To Whom it May Concern

**Land Off Park Lane, Wormshill, Sittingbourne, Kent, ME9 0UA**

I confirm that I have an ongoing business relationship with Simon Gambling, having acquired his standing grass crop from his farm known as Land Off Park Lane, for organic silage production over the past 4 years.

The arrangement throughout this time has remained the same, with Simon being responsible for preparing the grass ley over winter and spring, carrying out any necessary cultivations. I then acquire the grass crop based on the quality and quantity of grass available each year. This then contributes to feeding our Youngstock unit based in Wormshill.

With kind regards

Will Hickson
