Dear Steve

Thank you for your new drawings.

Unfortunately from looking at previous applications of the site I can see the menage isn't located in your immediate curtilage. Please can you refer back to my previously letter on how to change the drawings.

Can I also check that the section is correct, I have measured the drawing to 1:100 and added the measurements on.

Kind regards

Afternoon, thank you for the letter highlighting the required documents for my planning application for the horse menage at Woodlands, Greatmans way, Stoke Ferry, PE339SZ, I have attached for your attention the revised site plan showing the red boundary beyond the proposed site of the menabe, plus the addition of a block plan and I have added on the cross section, the scale of 1:100 as I drew it and marked it as such

I hope this is to your satisfaction

Regards  
Steve Allen
