Angela,

Please see attached sketch of tree marking out what we would like to take away, and plan sketch of the tree in relation to the house.

The tree has got quite big and is blocking all light to the front windows of our house, we would just like to cut away as much as allowed to let light into the front of the house.

If you have any questions please don't hesitate to get in contact.

Kind Regards

Luke Diessner | Civils  
Supervisor
