Hello

I am writing in accordance with decision notice dated 12th January, for 2 Field Lane Fakenham.

I have attached a picture of the proposed roof tile we wish to use, 2a has the same tile , and with the new look of the property incorporating render and cladding (tbc) this tile is a very appealing look.

Tile- Calderdale Edge - Dark Grey

Please confirm this tile is accepted so I can place the order, tiles are very hard to get hold of currently.

Look forward to hearing from you

Kind regards
