About Cladco Woodgrain Cladding

Cladco Woodgrain Composite Cladding Boards allow you to effortlessly achieve a wood cladding look on your exterior walls. The woodgrain texture gives a natural wood effect.

Composite Cladding Boards are low maintenance and unlike traditional timber cladding boards, do not need to be painted, stained, treated, or sealed. Simply install the Boards on your external walls to instantly transform your home, or commercial, project.

Our Wood Effect Cladding can be installed either horizontally or vertically to suit your design, and can be cut to size using standard woodworking tools. Boards feature a tongue and groove style connection, whereby each Board slots into the next, and any joints are hidden by the overlapping Board in the process.

Board Specifications

Length: 3.6m

Width: 157mm

Thickness: 20mm

Coverage per Board: 0.45 sq/m

Weight per Board (approx.): 6.95kg

Wood effect composite cladding is an aesthetically pleasing product that helps to protect exterior walls from harsh weather conditions.

Woodgrain Composite Wall Cladding Boards are available in eight attractive colours: Olive Green, Redwood, Coffee, Teak, Charcoal, Coffee, Stone Grey and Light Grey.

Looking for boards without a woodgrain effect?

See our [3.6m Composite Wall Cladding Boards](#)

Looking for slatted cladding boards?

Cladco Wall Cladding Boards provide 135mm width coverage per Board once installed. It is recommended that supporting [Composite Battens](#) or [Timber Battens](#) are installed 500mm apart to support the Boards. Follow the guidelines provided in our [Installation Guide](#) for the best way to install your new Wall Cladding.

It is advised to buy all Boards needed for your project at the same time, to ensure the same colour throughout your installation. Different Board batches may have slight colour variations due to the natural wood material within the Boards.

*Cladco Composite products are available as [FSC®](#) certified for the same cost. If you require [FSC®](#) certified products, please ask for these when
