

Hi DC/Naomi,

Please see the email below from Joely Webber commenting on application 23/01612/FUL – 23 Beach Road, Clacton on Sea.

Kind regards

Paul

Subject: 23 Beach Road flat conversion planning response

To whom it may concern,

Today I have received a letter confirming the plans to convert the afore mentioned address into flats.

This will exacerbate the already scarce parking situation. Are there any plans to resolve this?

In this area we are surrounded by 4 hour parking bays, with very little off-street parking options. Considering it is a densely populated area, I think it would only be fair to put in place some more accessible parking for those who live here, or a free permit system whereby residents might park for longer periods of time than 4 hours.

We already share with town traffic, other residents as well a disproportionate amount of trade workers to others who live in the area.

Many locals have disabilities, young children and do not live on the ground floor, it is unfair and inconsiderate to exacerbate this strain with no plans to ease it.

I look forward to hearing from you.

Kind regards

Joely Webber
