Dear Louise,

Thank you for your letter dated 9th February in respect of the above.

Please find attached an amended copy of the site and location plans with the red line area indicating the proposed development area only and the remaining area in the same ownership edged in blue. The red line site area is now 0.22 hectares.

I confirm that the number of employees will not exceed 100+. The actual number is likely to be between 6 and 10.

Kind regards,

Bryan Thomas
