Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The applicant requires to retain the temporary dwelling for an additional two years and therefore requests an extension of time. Due to a number of external factors, such as Brexit, Covid-19 and a change in agricultural government funding the applicant has struggled to produce three years of trading accounts with profits reaching a recognised standard for the satisfaction of the formal financial test in order to obtain planning permission for a permanent dwelling. The applicant is currently expanding the existing agricultural business, as referenced within the previous planning application, with the requested extension of time the applicant should then achieve the desired three years of trading accounts with profits.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The applicant requests an extension of time, two years, for the retention of the temporary dwelling
