Hi Andy,

Further to the recent submission of the above planning application, I have discussed this with my manager today. We generally do not have any issues with your suggestion to amend the wording of the condition. Are you able to confirm if you agree with the following condition wording as an alternative?

CONDITION: Prior to commencement occupation of the hereby approved dwellinghouse, the existing agricultural building (subject of 23/00739/COUNOT and shown as being demolished on drawing P01c) on the site must be completely demolished and all materials resulting therefrom shall be cleared from the site.

Kind regards,

Michael Pingram BSc (Hons) MSc MRTPI
Senior Planning Officer
