Speaking with the Planning Service about building work or development? Have you spoken with our Building Control Service too? Our team can help you meet Government-set Building Regulations for the safe design and construction of buildings (including energy efficiency and access requirements). Email them on [REDACTED], or look at our website via the following link [Building Control](#) for more information.

The information contained within this email is an informal officer opinion based on the details you have provided. The advice is offered without prejudice to the outcome of any application(s) you may wish to submit which will be determined (in part) in light of representations received during the public consultation period. In any case, the responsibility for the determination of an application may ultimately rest with Members of the relevant Planning Committee.

**Subject:** Re: Application Submitted: PP-12832721 - Tree works: Trees in conservation areas/subject to TPOs

Good evening,

Further to the below application please note the correct address is 2 Oaks Close, Clacton on Sea, Essex, CO15 4EW but for some reason the system only has addresses no.1 then jumps to no.5.

Thank you

Kind regards

**Tom South**
