

Frinton & Walton Heritage Trust
Charity Reg. No. 289885

Frinton & Walton Heritage Centre, 120 Pole Barn Lane, Frinton-on-Sea

In addition to the intention to convert the building into a museum and community meeting room, The Trust also intends the meeting room to be available for other community activities and to accommodate meetings of approximately 20 attendees from other local organisations such as:

Local art & craft groups
History Groups, i.e. Tendring District Local History Recorders, Victoria County History
U3A groups
Frinton Summer Theatre (rehearsal room/play read through)
Local meeting room for Political surgeries
Business training days
Mothers & babies groups
WI small groups
Coffee Mornings
School children visiting the museum

The Trust is mindful that the building is in a residential area and, therefore, will not let the room for late evening events or parties.
