In addition to the intention to convert the building into a museum and community meeting room, The Trust also intends the meeting room to be available for other community activities and to accommodate meetings of approximately 20 attendees from other local organisations such as:

Local art & craft groups

History Groups, i.e. Tendring District Local History Recorders, Victoria County History

U3A groups

Frinton Summer Theatre (rehearsal room/play read through)

Local meeting room for Political surgeries

Business training days

Mothers & babies groups

WI small groups

The Trust is mindful that the building is in a residential area and, therefore, will not let the room for late evening events or parties.
